See Securities Exchange Act Release No. 80432 (April 11, 2017), 82 FR 18191 (April 17, 2017) (SR-ISE-2017-03) (Order Approving Proposed Rule Change, as Modified by Amendment No. 1, to Amend Various Rules in Connection with a System Migration to Nasdaq INET Technology).

II. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change</u>

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. <u>Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis</u> for, the Proposed Rule Change

1. <u>Purpose</u>

The Exchange is proposing to amend Supplementary Material .02 to GEMX Rule 715 to conform this rule to ISE's recently approved rule. ISE recently received approval for a similar cancel and replace rule at Supplementary Material .02 to ISE Rule 715.⁴ The ISE rule includes additional information concerning the handling of cancel and replace orders. With this amendment, the Exchange is memorializing the same additional detail within its rule as to the manner in which the System handles cancel and replace orders. Specifically, the Exchange proposes to make clear that if the replacement portion of a Cancel and Replace order does not satisfy the system's price or other reasonability checks (e.g. Nasdaq GEMX Rule 710; Nasdaq GEMX Rule 711(c); and Nasdaq GEMX Rule 714(b)(2)) the existing order shall be cancelled and not replaced. This additional language serves to add detail to the current rule.

2. <u>Statutory Basis</u>

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in

⁵ 15 U.S.C. 78f(b).

⁴ <u>Id.</u>

general, and furthers the objectives of Section 6(b)(5) of the Act,⁶ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. The Exchange believes that memorializing what happens to a cancel and replace order that does not meet the price checks will add transparency and specificity to the Rules thereby protecting investors and the public interest by reducing the potential for investor confusion.

B. <u>Self-Regulatory Organization's Statement on Burden on Competition</u>

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal to make clear that if the replacement portion of a Cancel and Replace order does not satisfy the system's price or other reasonability [sic], the existing order shall be cancelled and not replaced will bring more clarity to market participants with respect to the operation of a cancel and replace. The rule is not being substantively amended, rather more detail is being added to the rule text.

C. <u>Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others</u>

No written comments were either solicited or received.

III. <u>Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action</u>

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time

as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act⁷ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁸

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
